

# CAMBODIA

Winter 2010

## Newsletter of Mark & Joan Bouman

As we reflect back over 2009, we are thankful for so many things! We look forward to an awesome 2010 partnering with you in reaching Cambodia for Christ. Thanks for walking this road with us.

For your faithful support of the Student House Ministry which provides a college education for 22 kids from the orphanage: your monthly support and offerings enabled us to send the \$1920 per student we need each year for this ministry. **THANK YOU!**

Some of the students

The continued support of the entrepreneur program at the orphanage so the kids can learn to think big and prepare for the future: your support helped the kids raise vegetables and animals to sell at the market. **THANK YOU!**

The team from Southeastern University in Florida that Mark accompanied to Cambodia: what a blessing they were to the kids & staff at the orphanage & School of Hope! Special thanks to our fellow missionaries who helped make it happen. **Kudos.**

For your faithful prayer support:

As we travel; as Mark speaks to raise funds for these much needed ministries; for the kids of Cambodia; for Andrew & Nik; for the national pastors and churches throughout Cambodia.
